Cumulative fiscal year distributions as a percentage of NAV as of 9/30/2015				12.46%

You should not draw any conclusions about TPZ's investment performance from the amount of this distribution or from the terms of TPZ's distribution policy.

The amounts and sources of distributions reported are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon TPZ's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. TPZ will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

TPZ invests in a portfolio of fixed income and equity securities issued by power and energy infrastructure companies. TPZ's objective is to provide stockholders a high level of current income, with a secondary objective of capital appreciation.
